**TERMS AND CONDITIONS**

Improve your ride quality and driving experience by upgrading your ride to Belltech Street Performance Shocks and Struts. We are so positive you will love your ride's improved ride, handling, comfort and stability, that we are daring you to Take the Belltech Challenge. Purchase (4) of our Belltech Street Performance shocks, struts in March through August, 2020 and Take the Belltech Challenge for (3) months or 1,500 miles. We promise that you will enjoy your Street Performance products. If, for any reason, the Belltech Street Performance products don't meet your expectations within the Challenge period, swap out the products and Belltech will reimburse the cost to you. Belltech will reimburse you for the purchase price of the products (less any discounts or rebates), the cost of the installation (up to \$200 per axle when installed by a licensed service professional), the cost of a wheel alignment (up to \$100). Please allow 6-8 weeks for processing
